### **Class Definitions:**

- **Junior C:** Up to 8 years old at the first race of the season. 50cc 2 and 4-stroke.
- **Junior Beginner:** Up to 11 years old at the first race of the season. Up to 65cc 2-stroke or 110cc 4-stroke.
- **Junior Amateur:** Up to 15 years old at the first race of the season. Up to 112cc 2-stroke or 150cc 4-stroke. Rides same course at same time as Junior Beginner.
- **Junior Expert:** Up to 15 years old at first race of the season. Up to 112cc 2-stroke or 150cc 4-stroke. Rides same course at same time as Women, Beginner and Sportsman.
- **Beginner class:** absolute beginner or novice. Raced only a few times. Don't have a desire to bang handlebars- just have fun and finish.
- **Amateur class:** intermediate-level riders. Raced more than a few times. Can get up most hills on single track on the first try. Looking for challenges in the course and competitive in spirit.
- **Expert class:** expert-level riders. Raced a bunch. Solid bike skills. Looking for fast competition and very challenging terrain.
- **AA class:** AA, or best-of-the-best level riders in other racing series. Live to race. Want to win. Have proven yourself in the expert ranks. If you can finish in the top ten overall at an OMRA event, this is your class! The top 10 overall from the previous year earn this designation automatically.

### **Background and number colors:**

- **AA Class-red with white numbers**
- **Expert Class-blue with white numbers**
- **Amateur Class-yellow with black numbers**
- **Beginner Class-white with black numbers**
